<u>Project</u>

Course: Web Development

Student ID is: **NSEKY0818029**

Course Code is: **NSSF041**

The subject matter was chosen when a group of old erstwhile friends decided to have a small bio-website for them to know each other better. The website is a static website with 3 main pages viz.

1. The index page – index.html
2. Meet Us page – aboutus.html
3. Image Gallery – imagegallery.html

CSS has been divided into 2 different for individual pages and in general for

1. Styles.css - styling in general for entire web-pages
2. PageStyles.css - styling for individual pages.

The meet us page is further develops on click of more info button to individual web-pages on each individual name.

The following has been used for the development of the web pages.

1. HTML
2. CSS
3. Bootstrap
4. JQuery
5. Semantic-UI

The group has decided to go live with the project with a chosen web-site name.
